

# SPECIALIZED PROTOCOL FOR MAJIREL METALS

Steps for the most vibrant metallic results

We recommend  
Multi-Techniques  
Powder for the  
fastest, lightest lift!

## PRE-LIGHTEN

Pre-lighten the hair to a pale yellow or above with the Blond Studio Lightener of your choice + Smartbond Step 1

Rinse thoroughly. Do not shampoo.

## FORMULATE DIFFERENT FROM EXISTING MAJIREL

**1:2 Color to Developer Mixing Ratio**

**1.7 oz. Majirel Metals  
+ 3.4 oz. 20-vol. Majicrème Developer  
+ 4 ml Smartbond Step 1**

## APPLY DIFFERENT FROM EXISTING MAJIREL

1. Apply formula to the mid-lengths and ends.
2. Set timer for 20 minutes.
3. Apply same formula from new growth to mid-lengths.
4. Once processing time is complete, rinse thoroughly.
5. Apply Smartbond Step 2, for 10 minutes.
6. Shampoo and rinse.
